CASH COMMISSIONS AND DAILY GIFTS TO YOUNG WORKERS

Subscription Campaign Starts Tomorrow; Ends August 2nd, 1931.

Some boy and some girl in Washington Township will be given $15.00 in gold and some other boys and girls will be given $10.00 and $5.00 in gold, while lots of lads and lassies, 18 years of age or under, will have an opportunity to earn their vacation expense money and useful gifts for just three weeks' work.

The Township Register is sponsoring this campaign with a two-fold purpose: first to put The Register into every home in Washington Township and second, to encourage the children of the district in salesmanship, thrift, and to reward them handsomely for their industry.

Regardless of whether the gift is won or not, each boy and girl will be paid a cash commission on every subscription they bring in. There are absolutely no strings tied to the gifts or commissions.

See that your favorite boy or girl gets their share of The Register's gifts by giving them your subscription or leave it at The Register office, with notice as to what boy or girl you wish to have credit for your subscription.

While The Township Register circulation already is remarkably high in comparison with the number of homes in the territory it serves, the publisher wants to make it as near 100 per cent in Washington Township as is humanly possible. The publisher feels that this paper, published in and exclusively for Washington Township should be in every home in the district.

The Vacation Expense Campaign has been placed under the exclusive management of L. C. O'Brien, campaign director of The Township Register. Mr. O'Brien has a wealth of experience in this field.

His ability to inspire boys and girls with enthusiasm is one of the leading factors in his success and is explained in a large measure by his love of young Americans.

Parents May Visit Office

The regular subscription rates of The Township Register are six months, $1.00; one year, $2.00, payable in advance; will be collected by the boys and girls and receipt given subscribers by the boys and girls during this campaign.

Boys and girls 18 years of age and under are urged to come to The Register office, meet Mr. O'Brien, register their names, receive blanks and get into the fun.

Parents are likewise urged to persuade their boys and girls to enter the campaign. Parents and guardians are welcomed to come with their respective contestants, meet Mr. O'Brien and become innoculated with some of his enthusiasm. The returns in dollars and cents will well repay them and they will profit by the experience and confidence it will give them.

Opportunity for Girls

Mr. O'Brien is very anxious to have as many girls and boys start in the campaign as possible, and requests all girls under 18 years of age to call at the office for full particulars of the separate special offer to girls, as well as boys, to secure their share of the gold, gifts of silver, and oth-

DECOTO RANCHER SUFFERS SERIOUS INJURIES MONDAY

Peter Decoto Slips from Ladder While Picking Fruit Recently.

Found lying in his orchard in an unconscious condition by a passing neighbor on Monday morning, Peter Decoto, of Decoto, was immediately rushed to the Fabiola hospital, Oakland, where he was found to be suffering from several broken ribs, and in a serious condition.

According to the only information so far obtained from Decoto, he asserts he fell from a ladder while picking fruit in his orchard adjacent to his home. He lives in the famous old Decoto home, from which the town derived its name.

Decoto is scoutmaster of the Decoto Boy Scout troop, and a group of his boys visited him in the hospital Tuesday evening, where they found him resting as well as could be expected.

EXCESSIVE HEAT CAUSES COLLAPSE OF STORE WINDOW

Without previous warning, a large section of the art glass window over the Niles MacMarr store suddenly collapsed late Friday evening, scattering broken glass all over the sidewalk. Fortunately, no one was near enough to be cut by the flying pieces.

It is thought that the window caved in as a result of expansion, due to the excessive heat on Friday. Replacement of the window will cost $75.00.

INSTALLATION OF OFFICERS HELD BY Y. L. I.

The Young Ladies' Institute, of Niles, held installation of officers at their meeting held last Thursday evening, when the following officers were conducted into office:

Past president, Margaret Crane.
President, Gertrude Enos.
First vice president, Katherine Pereria.
Second vice president, Irma Brown.
Recording secretary, Adeline Fontes.
Financial secretary, Laura Mae Mayer.
Marshal, Violet Manley.
Outside sentinel, Helen Rogers.
Inside sentinel, Ida Rogers.
Treasurer, Isabel Cahill.
Trustees, Gertrude Keller, Mae Moore, Lida Francis, and Mary Regan.

The members also planned a weiner-roast to be held on Wednesday evening, July 22, in Niles Canyon.

NIECE HERE FOR VISIT

Mrs. Herbert Wilson and two-year-old daughter, Pattie-Marie, arrived in Niles Saturday morning for a few weeks' visit with Mr. and Mrs. Norman H. Parks.

Mrs. Wilson is a niece of Mrs. Parks, and, previous to her marriage, lived for a year or more at the Parks home in Oxnard and Imperial Valley.

Jack Townsend and Arnold Abrott, of Niles, are vacationing at Paradise Park, Santa Cruz, for two weeks. They were driven down on Saturday by Reverend E. G. Brinkmeyer.

HISTORICAL OLD SPANISH HOME DEDICATED MONDAY TO STATE FLOWER LOVERS

Residence of Founder of Niles Restored to Its Original State.

Los Gatos branch of the Santa Clara Flower Lovers' club officiated at dedication ceremonies on Monday for the old adobe residence of Don Jose Jesus de Vallejo, the founder of Niles, when the building, restored to its original state by George C. Roeding, was dedicated as a free meeting place for garden clubs and flower lovers of the state. The historical building, which is nearly 100 years old, is situated on the property of the California Nursery company.

Assisting in the ceremonies was Mrs. Alfred Mayer, of Niles whose father was born in the old building. The structure served as the home of Vallejo while he was in charge of the mission properties in this section. The grounds have been completely restored and an effort made to recreate the atmosphere of the days of the dons.

When the missions were taken over by the Mexican government, Vallejo moved into the mouth of Niles Canyon and established a mill. The town, which grew up around it, was known as Vallejo Mills until the Southern Pacific built its line through the canyon and changed the name to Niles.

The program featured several very entertaining acts, including a radio entertainer who played typical Spanish music during the dedication program. Mrs. F. M. Derickson, of Los Gatos, read an original poem, "To An Old Adobe." J. A. McDonald gave an interesting history of the building. Among the guests were a number of old residents of the community who, as children, attended fiestas given at the Vallejo home.

Following the dedication program, the Los Gatos club held a brief business session in the building and the members were taken on a tour of inspection of the nursery, one of the largest in the west.

DISCONTINUE RUN OF "TOONERVILLE TROLLEY"

Western Pacific Railroad Company have been authorized by the Railroad Commission to discontinue operation of trains Nos. 101 and 102 between Niles and San Jose, with the understanding that a substitute bus service is provided between the two points.

The Western Pacific and the Peerless Stages, Inc., have made satisfactory arrangements for the bus service, and effective July 13, the "Toonerville Trolley" gasoline car will be replaced and passengers will be transported via bus. The arrangements made call for the bus to leave the Hotel Sainte Claire, San Jose, daily at ten a. m., arriving in Niles at 11:05, where it will lay over until the arrival of westbound transcontinental train No. 1 at 2:05 before making the return trip to San Jose.

Stops will be made by the bus at Milpitas, Warm Springs and Irvington, Berryessa being eliminated entirely from the schedule.

PASSING OF AGED NILES RESIDENT IS MOURNED BY MANY

Raymond Fadie, 72, Passes Away Early Tuesday Afternoon.

Funeral services are to be held at 9:30 o'clock this morning for Raymond Fadie, 72, who passed away early Tuesday afternoon at the ranch of James Rose, Niles. Services are to be conducted at the Corpus Christi church, Niles, and interment will follow immediately after at the Mission San Jose cemetery.

Deceased was widely known throughout Washington township. He was born in France, and settled in Mission San Jose forty-six years ago, later moving to Niles, where he had resided for the past thirty-two years. He was one of the first merchants in the district, and gained a host of friends during his lengthy residence in this district. For the past seven years he has resided at the home of his daughter and son-in-law, Mr. and Mrs. Ed Rose, of Niles.

He leaves to mourn his passing, two daughters, Mrs. Leontine Rose, of Niles, and Julia Fadie, of San Francisco, and a son, Raymond Fadie, also of San Francisco.

WARN MERCHANTS AGAINST CHECK FORGER

Merchants throughout Washington township are warned by Constable Tom Silva, of Centerville, to be on the watch for a Japanese "check-kiter," who has been active in cashing forged checks of small denominations.

Three checks, made payable to "K. Kato," and signed "G' Kataoka" and "A. Shimatsu," and each made out in the sum of $3, have successfully been cashed, two at the Centerville bank and one at the Niles bank.

The two signatures used are said to be very good forgeries of reputable residents in the township, and a general warning is issued to all merchants and residents to look out for checks made out to "K. Kato."

TRAFFIC OFFICER ESCAPES INJURY IN BAD ACCIDENT

Officer Hendricks Crashes Broadside Into Side of Automobile.

While chasing a speeder through the business district of Centerville on Friday, traffic officer Hendricks crashed broadside into an automobile driven by D. C. Remedios, of Centerville, who is alleged to have made a U-turn in the middle of the block directly in front of Hendricks.

The officer fortunately escaped with a few bruises and a bad shaking up, but his machine was completely smashed to pieces. Remedios appeared before Judge Allen G. Norris, of Centerville, on Tuesday afternoon, charged with making a turn in the middle of the block, and entered a plea of "not guilty." Trial was set for Tuesday afternoon, July 14.

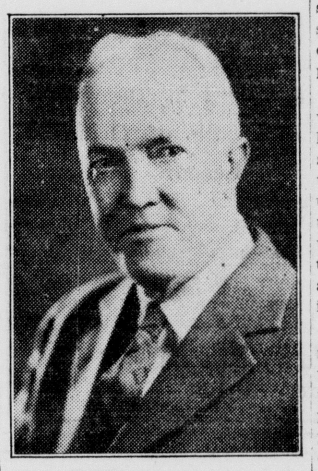
Hendricks was parked near the Rose garage at the entrance to town, when a speeder passed going at a speed estimated by the officer to be close to sixty miles an hour, and he immediately gave chase. What a break for the speeder!

EXPERT MAN WILL TAKE CIRCULATION ROLE ON REGISTER

Complete Coverage Is Aim of L. C. O'Brien in Campaign.

One of the best known circulation stimulators in California will devote his energies for the next four weeks to increasing the number of readers of The Township Register.

L. C. O'Brien, director of the Boys' and Girls' Vacation Expense Money Campaign, is well known in newspaper circulation work. Mr. O'Brien comes to the Register after having put on eighty-eight subscription campaigns for Southern California newspapers,



L. C. O'BRIEN

several of the newspapers having favored Mr. O'Brien with from two to four repeat campaigns.

Mr. O'Brien's record of success assures Register advertisers that at the close of the Boys' and Girls' Expense Money Campaign the Register will have as near 100 per cent circulation in the trading territory of Niles as it is humanly possible to secure.

The new circulation, which Mr. O'Brien will secure, will all be in the trading territory of Niles and the other seven towns in Washington township. Mr. O'Brien, like many other newspaper men, has no regard for the "wildcat automobile contest," which secures subscriptions anywhere, whether they benefit local business men or not. Mr. O'Brien, in twenty-nine years spent in circulation work, has never failed to secure the limit subscription list on any paper he has been connected with.

NILES SWELTERS AS THERMOMETER REACHES RECORD

Thousands Seek Relief In Canyon; Temperature Reaches 106

Niles sizzled, sweltered and suffered during the hottest spell recorded in twenty-five years, when the thermometer soared to a temperature of 106 degrees on both Friday and Saturday, and reached the century mark also on Sunday. Pioneer residents of this district cannot recall the time when the heat was so oppressive, and many maintain that the mark of 106 degrees is a record mark for Niles.

Niles Canyon was crowded throughout the week-end by thousands seeking relief from the sweltering heat, camping grounds doing a booming business, and parking space at a premium.

The many swimming holes were thronged, and picnickers lounged around all week-end in swimming suits in vain attempts to keep cool but coolness was an unheard-of quality—even the water being warm. No fatalities were recorded, the two-day vacation passing without even as much as an auto wreck being recorded in this immediate vicinity.

A steady stream of automobiles, filled with "heat-dodgers," passed through Niles bound for the canyon, the beaches, or "any old place" where it was cool, the procession commencing Friday evening, and continuing throughout the wek-end. And a good time was had by all!

THE CURTAIN FOR BAER.

THE FOURTH OF JULY fight staged at that cess-pool of iniquity—Reno—settled one thing, and we hope for good—that Max Baer, even as a pug, is a terribly big bum.

The Livermore brute, who pummelled a man until he died in a San Francisco bout some time ago, now barred from fighting in California, has a very bad record covering the entire period from his entry into the squared ring, and decent people should be ashamed to attend even a prize fight in which such a notorious character participates. Over in Reno, of course, the scum of humanity is in the saddle, politically, economically—even the pulpit being contaminated by the filth that pervades the place and sets up a stink that has turned the pure desert atmosphere putrid.

Here's your hat, big brute; what's your hurry?

A REGISTER IN EVERY HOME!

THE REGISTER, Washington Township's great home newspaper, wants every family in the district on its subscription list. Already enjoying an effective circulation in every town and rural district in South Alameda county, the publisher aspires to see his publication reach the saturation point. This can only be done through some sort of a subscription campaign or drive.

This matter has claimed the writer's attention for many months. We have wanted to increase

WORTHLESS CHECK CHARGE DISMISSED AT PLEASANTON

Joseph Pearsons Is Freed of Count—Restitution Is Made

Charges of issuing a worthless check which had been filed against Joseph A. Pearsons two years ago, were dismissed at the request of Harry Stiles, of the district attorney's office, when the case came up for hearing before Judge Manley Clark in Pleasanton recorder's court Tuesday.

Joseph Paulo, the complaining witness, stated from the stand that the check was postdated when given to him. This automaticall made it a promisory note and could be collected only by suit and was not a criminal case.

It was stated that Pearsons made good the amount of check, the sum of $20.

NEW FIRM STARTS BUSINESS IN NILES

For a limited time of thirty days, an exceptional bargain is being offered by the Niles Painting Company, which announces that it will paper any two rooms for the price of one. This offer is being made for a two-fold purpose; to demonstrate the services of a first-class paper hanger with many years' experience, and to call attention to this company, which is newly formed in Niles.

The company is formed by three members of a family well-known in Niles and the township for a great many years—Lee R. Britt, W. L. Britt and Jim S. Britt.

The shop of the company is maintained on Third street, Niles, and in order to identify the building, the Britt boys have numbered it No. 1000—the only home in Niles with a number.

The new company is prepared to do painting, tinting, paperhanging, graining, sign painting, canvasing walls, furniture refinishing—in fact, almost anything. Estimates are furnished free and all work and materials are absolutely guaranteed. See their advertisement in this issue.

Who Reads a Newspaper?

EVERYONE. That is the complete answer to who reads a newspaper. Naturally everyone doesn't read every newspaper, but everyone reads at least one newspaper. The Township Register is read by practically everyone in Washington Township, ninety percent we should say.

The Township Register is printed on one of the highest grades of news print, and the same care is taken with it as with the most expensive job printing order.

Every operation in the making of The Township Register is carried on in our plant located at Main St. The news stories are procured, written, set up and printed right in Niles.

IN THE LAST analysis the real meaning of this is that the advertisers in the Township Register reap a great benefit, for in pleasing our readers with the information of general interest and features, The Township Register becomes a popular publication. A popular publication is read from cover to cover, including the advertisements.

The Township Register

Editorial Comment

NORMAN H. PARKS, Publisher Register

the Register's circulation to its limit, and still retain the good will that it now enjoys so universally throughout the township. Good will is a newspaper's greatest asset. It is more valuable than mere bulk circulation. So often when a newspaper calls in a circulation expert and puts on a campaign in which prizes are given away, the after-effects are very embarrasing and hurtful to the paper. Those in the campaign failing to win the major prizes feel, whether justified or not, that the affair has been crooked or partiality has been shown the winning entrants. Again, no limit is put on the number of years that a subscriber may pay in advance. This is very annoying to the old patrons of the paper and new ones solicited. The contestant annoys the subscriber to renew several years in advance, and if he yields to the persistence of the solicitor he generally doesn't feel so good about the matter when the excitement of the contest passes.

To avoid the bad features of a subscription contest, and still get results, is a problem—a problem which we believe we have solved in contracting with our old friend L. C. O'Brien, who has been in this subscription game for pretty nearly thirty years. We haven't known him quite that long, but almost. Time after time he goes back to the same paper and repeats his subscription drives. There is never any ill-will engendered. Under his plan, only young folks, under eighteen, are recruited for the drive. All who enter receive commissions, and daily gifts are awarded, besides capital money gifts given at the end of the campaign. Every one wins—none lose. The old subscriber is solicited only for a year's renewal, and the non-subscriber is urged to take the paper for but one year in advance. The patron is treated right. The young workers are treated right. The game is fair, square and above board.

It is to the interest of the business men of the township, every civic organization, every fraternal organization—in fact, every man or woman who is interested in the diffusion of information throughout the district, to aid the Register workers in this drive. It will be an advantage to all these different civic and fraternal units to have the Register go into practically every home in the district. Thus, when they have this paper run a story of a coming meeting or an amusement event that they are sponsoring, or carry a paid advertisement in its columns, they will be assured that everyone in the district will know about the affair.

** * **

The publisher earnestly solicits the help and co-operation of the friends of the Register in this drive that it may accomplish the purpose outlined in a limited period of time. This is your paper—the people's paper. The publisher is just your manager—nothing more. He will deeply appreciate any help you may render Mr. O'Brien, a gentleman of the old school, clean, fair, capable.

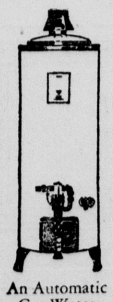
INSTANT hot water washes away your troubles ...quickly and easily

AT THIS TIME OF THE YEAR, you'll appreciate instant hot water more than ever. You can keep things sweet and fragrant easier because you do not wait for water to heat. The time you save can be spent in healthful summer recreation. Then too, there are no fires to build, no hot kitchen when you heat water automatically.

Automatic Gas Water Heater Needs No Attention

Once you have an automatic gas water heater you'll never do without it. The thermostat turns the gas on and off and keeps the water at 140 degrees day and night. Just turn a faucet and draw a tubful or a basinful of hot water—no delay or bother. The water stays hot because the boiler is insulated. No gas wasted.



An Automatic Gas Water Heater

As for cost, instant hot water is the cheapest of any method of heating water in the home. It amounts to less than one-fifth of a cent per gallon.

Why not stop in today and see the automatic gas water heaters? One may be purchased now for a small sum down and the balance in monthly payments.

Local dealers also sell Automatic Gas Water Heaters

WASHINGTON HIGH SCHOOL BAND IS AWARDED HONORS

First Place Is Obtained At Sunnyvale Celebration Saturday

First place honors were awarded the Washington Union High school band at the Sunnyvale Fourth of July celebration which marked the dedication of the new army dirigible base, the honor being obtained after competition with seven other musical organizations, including several adult bands.

The band composed of forty pieces, played straight marches, and were admirably led by Evan Orelli, of Alvarado, whose fancy twirling greatly pleased the vast throngs who witnessed the mile-long procession. As the result of their efforts, a large banner was presented the local organization by J. C. Stearns, chairman of the music committee of the Sunnyvale celebration

The band, which left Niles at eleven a. m., was accompanied on the trip by John E. Kimber, their director; Mrs. Eva Steinhoff, George Mathiesen, Mrs. Laura Whipple, Mr. and Mrs. J. E. Thane and O. N. Hirsch, of Irvington. It was largely through the untiring efforts of Mrs. Whipple and Mr. Hirsch that the new air base site was awarded Sunnyvale. Mrs. Whipple also has the distinction of being the first girl graduate of Washington Union High school.

Following the termination of the parade, the band was the guest of the city of Sunnyvale at supper, after which the musicians participated in diversified entertainments, some going in swimming, others listening to a band concert by the Santa Clara municipal band. An elaborate firework display proved very interesting. Arrival back in Niles was made at 10:30 p. m.

Shrine Picnic Will Be Held At Ramona Park

T. H. Silver Heads Committee from Pleasanton District

T. H. Silver of Pleasanton, has been named chairman of the attendance committee for the annual outing and picnic of Aahmes temple of the mystic shrine at Ramona Park on August 2.

Sheriff Veale of Contra Costa county, has accepted the appointment as chairman of the day tendered him by Potentate Romaine Myers. Nels Nels, of Hayward, heads the music committee.

The program calls for dancing, games and free ice cream and coffee for all those attending. The reception committee will assist all those attending in parking their cars, there being plenty of available space.

K. C. BALL TEAM MEMBERS ATTEND BERKELEY PARTY

Members of the Centerville Knights of Columbus baseball team journeyed to Berkeley last week and participated in a "baseball night" party given in honor of the championship honors won by the Berkeley nine.

The league cup was presented to the Berkeley squad, and the evening was spent in witnessing various stunts participated in by the various lodges throughout the Ninth district. Refreshments were also served.

MANY GUESTS ARE ENTERTAINED AT WEEK-END PARTY

Mr. and Mrs. E. Hirsch, of Irvington, entertained a large party of friends at their summer home at Felton Acres, near Santa Cruz, over the week-end. Those enjoying the trip were: Mr. and Mrs. Frank T. Souza, Marjory C. Martin and E. J. Pimentel, of Centerville; Mrs. Frank Katzer and son, Billy, Joe R. Silveira and Joe Nunes, of Irvington; Bernie Joseph, of Decoto, Mr. and Mrs. Walter Conley, of Walnut Creek, and Mrs. L. Roderick and daughter, Evelyn, of San Jose.

MANY OFFENDERS RECEIVE FINES AT COURT ON TUESDAY

Traffic Officers Ordered Not to Issue Warning Tags in Future.

Many offenders of traffic violations throughout Washington township appeared before Judge Allen G. Norris, of Centerville, on Tuesday afternoon, fines paid ranging from $2 to $15. The following paid fines: C. D. Brierley, Irvington, speeding, $5; Albert J. Lawrence, San Leandro, overloading, $5; Mark G. Yarnell, Niles, speeding, $5; John G. Vierra, Newark, speeding, $10; J. R. Weld, Oakland, speeding, $10; Emily Leandrad, Oakland, speeding, $15; and Frank Ramos, San Jose, speeding, $5.

Harold C. Sherlin was arrested and charged with driving a truck over the weight limit across bridges in Niles canon. He pleaded not guilty, and trial was set for July 21 before Judge Norris.

According to advices received by the traffic officers, they have been ordered not to give any more warning tags, and in future only straight citations will be given for offenses committed.

Frager - Coughlan Ceremony Is Held Sunday At Noon

Pleasanton Youth Weds Beautiful Livermore Girl

Miss Irene Coughlan, daughter of George Coughlan of Livermore, was united in marriage at high noon on Sunday with Manuel Frager, Jr, at a beautiful ceremony performed by Father Looney in the St. Michael's church in Livermore. The bridegroom is the son of Manuel Frager, Sr., of Pleasanton.

The bride wore a gown of white satin and had a long veil trimmed in lace fastened to her head in a bonnet shape with orange blossoms. She had white satin shoes and long gloves. Her bouquet was of white roses and lillies of the valley.

Miss Irene Hoffman, of Livermore, cousin of the bride, was the bridesmaid. She wore a gown of yellow chiffon with yellow shoes to match. She wore a yellow tulle tied around her head in a bow. The bouquet was of yellow roses.

Miss Peggy Hoffman, cousin of the bride, was train bearer. She wore a dress of green silk and a green bow of tulle in her hair.

The bridal party marched into the church with Miss Irene Hofman at the head. The bride and her father followed with the little train bearer in the rear.

The bridegroom was attended by his brother, Clarence Frager, of Pleasanton. Both wore dark suits.

Immediately after the wedding service the bridal party was entertained at the home of the bride's father.

Mr. and Mrs. Frager left on a week's trip through northern California, Oregon, and Nevada.

The Calamity

I've stopped the paper--yes I have.
I didn't like to do it,
But the editor he got too smart,
An' now, I 'low he'll rue it.

I'm a man who pays his debts
And will not be insulted.
So when the editor gets smart
I want to be consulted.

I took the paper about 'leven years,
And helped him all I could, sir.
But when it comes to Dunnin' me,
I didn't think he would, sir.

But that he did, and you can bet
It made me mad as thunder.
I says: "I'll stop that sheet, I will,
If the doggone thing goes under.

I hunted up the editor,
And for his sinning paper,
I paid him 'leven years and quit.
Yes, sir, I stopped the paper.
—Exchange

The 'bove is but a febrile dream
of some confounded liar,
Who lately joined the threadbare ranks
'Gainst whom the Fates conspire.

No man who ever owed a sheet
Three years—much less eleven
Was ever known to pay the bill.
This side the gates of heaven.

SUMMER WEATHER RESTORES NORMAL FISHING CONDITION

Fishing Should Be At Best During Next Few Weeks.

While recent rains temporarily impared fishing conditions in many localities throughout California, typical summer weather of the past few days has restored the streams to normalcy and fishing during the next few weeks should be at its best, according to a survey compiled by Southern Pacific company.

Findings of the survey were made public here today by Harvey Braun, local agent for the company.

From Red Bluff come reports that the Sacramento river was made muddy and neighboring streams west of that city were raised by a cloudburst last week, but that conditions are now better and Deputy Fish and Game Warden Harry Britten says that limit catches are again being made.

Fishing at Delta and vicinity indicates salmon eggs are being used to the best advantage, with some good catches but no limits taken. Improvement during the coming week is also expected here.

In the vicinity of Truckee, in the high Sierras, fly fishing is reported excellent, with many limits taken daily. Some limits have been taken with salmon eggs and worms for bait. The Little Truckee river and Prosser creek are yielding many limits.

Spinners are being used most successfully around Gerber, the report states, while from Castella come reports that trout fishing in the upper Sacramento has been good. Good catches in local streams with both bait and flies are reported from Mount Shasta, according to the Southern Pacific. Grey hackle continues favorite.

Dunsmuir reports that the rains cleared the Sacramento of moss and insects and that fish in that region are biting well. Chief sport at present seems to be with spinners and flies, although other bait is being used successfully.

With warmer weather, fishing at The Pines, Bass Lake, has improved materially. Limits of crappie are being caught almost every day, and while no large bass have been brought in, many two pounders are being taken. Good bass fishing from the wharfs at Pittsburg is reported.

HORSE SHOES ARE HOLDING INTEREST OF SPORTING FANS

Pleasanton Hall Is Conducting Tournament—to Give two Awards

Qualifying rounds in the horse shoe tournament being conducted by Rodrigues and Rathbone on the court in the rear of their Main street recreation hall, Pleasanton, are being placed this week by a group of some fifty entrants.

The contests are staged on Monday, Wednesday and Friday evenings and are attracting considerable interest, the ancient game having been revived in Pleasanton during the past month.

Suitable awards have been arranged for the champion and runner up, according to Frank Rodrigues, who is managing the contest.

Partners are selected by lot, it was said. The players have displayed excellent form and are hanging up good scores with the result that all games are interesting.

Among those who have qualified for the second round to be played next week are the following: Frank Brager, M. Amaro, Fred Peters, Joe Miller, Louis Fuchs, E. Oxen, M. Coy, B. Hall, Louis Anselmo, Arthur Shinkel, Bill Mongoia, and W. Kissinger.

A number of other players also qualified in games the last of the week, their names not being available at press time. ...

MISSION SAN JOSE RESIDENT LAID TO REST

Funeral services were held Friday morning for Theodore Souza, 21, of Mission San Jose, who was killed last Tuesday evening when his automobile was struck by a Southern Pacific passenger train at the crossing on the Pleasanton-Livermore highway.

Services were held at St. Joseph's church, interment following immediately after in St. Joseph's cemetery.

Deceased is survived by his mother and father, Mr. and Mrs. Manuel Souza, and a sister, Viola Souza, all of Mission San Jose. A younger brother, Harold Souza, 19, was killed in an automobile accident last April, when he was struck on the head by a heavy wrench while working on a well between Decoto and Centerville.

Both Harold and Theodore had hosts of friends throughout Washington township, and their untimely deaths, so close to each other, are greatly mourned.

Ed. Rogers is getting about on crutches following a slight injury to his right foot.

CONGREGATIONAL CHURCH TO BE RE-OPENED

Church services are to be held in the Congregational church at Sunol next Sunday morning for the first time in many years, according to announcement made this week by Reverend E. G. Brinkmeyer, of Niles, who will conduct morning services at eleven o'clock.

The Congregational church, which has long been standing idle, is to be re-opened, and a cordial invitation is extended all residents of this community to be present, both adults and children.

Services at the Niles Congregational church have been discontinued for the summer months, but Sunday school is being held each Sunday morning at ten o'clock.

The Sunol Bridge club has adjourned until August.

NEW OFFICERS ARE INSTALLED BY LIONS CLUB

Ladies' Night Program Is Attended by Sixty Members and Guests

Before an audience of members and guests numbering close to sixty, A. Bruce Pickard was installed into the office of president of the Pleasanton Lions club at the Ladies' Night program held in Ratti's restaurant, Pleasanton, Tuesday evening.

The installation ceremony was performed by Jerome Arendt, the retiring president. Other officers installed at this service were Claude Freeman, vice president; T. H. Silver, treasurer; and J. Ward Sheffield, secretary. The new directors are Arendt and Hans Hansen.

President Pickard made but two appointments on his staff at this week's meeting. George Roraback was named Tail Twister.

The entertainment program was of unusual merit. It was arranged by Ernest Schween. The program consisted of Negro selections by a Negro Baptist preacher and his wife; accordian selections and a number of card tricks.

The card tricks were cleverly performed. The assistance of T. H. Silver and Sam Keating being required to make them possible. The two assistants took a large amount of kidding during their appearance.

He reported that there was an immediate increase in interest shown following the announcement last week in The Times that the Lions club would possibly offer a five dollar award for the best decorated machine.

The same members who are usually called upon for remarks were asked for their usual comments at the close of the meeting.

ROSE MEDERIOS IS MARRIED TO GEORGE ROGERS

Miss Rose Mederios was united in marriage with George Rogers, both of Pleasanton, at a ceremony performed at the St. Anthony's church in Oakland on Sunday afternoon.

The bride is the daughter of Mr. and Mrs. Joe Mederios. She was graduated from the Pleasanton Grammar School in June of this year.

The bride wore a gown of white silk with white moire shoes and long gloves. Her veil of tulle was fastened to her head in a bonnet shape with a wreath of orange blossoms. She carried a bouquet of gardenias.

Miss Mary Elizabeth Mederios, sister of the bride, acted as matron of honor. She wore a gown of green silk with white shoes, hat and gloves. She carried a bouquet of pink roses and green fern.

The bridegroom was attended by John Mederios, brother of the bride.

The young couple left on a short wedding trip and plan to return over the week-end. They will make their home in Byron.

EMINENT FOOD SPECIALIST
Phelan Bldg., San Francisco

The Process of the Bowels.

After leaving the stomach, the food slowly moves along, forced by muscalar action of the bowels.

As it moves onward, the food is seized upon by 20,000,000 little mouths called lacteals. Each of these sucks from the food a tiny bit of nutriment. The blood then takes this nutriment and carries it to the kidneys, liver, and lungs to be purified. Then the circulatory system, which is the blood, pumped by the heart, carries this nutriment here and there throughout the entire body. This nutriment or strength makes repairs where needed and builds up that which is constantly being torn down. Gradually relieved of its life-giving elements, the food mass is finally ejected into the large intestine. From the large intestine the waste residue of the food should be expelled at once. It should not lie there for twenty-four hours, or longer as it does in many cases.

Many people do not realize that chronic constipation may be present although they are having regular movements of the bowels. The principal causes are procrastination in answering the call of Nature, eating refined and cooked foods, wrong combinations of food, lack of sunshine and exercise.

The Laxative

A laxative does not move the bowels, but the bowels move the laxative. Nature in her effort to remove from the system the poison taken in the form of a laxative gathers the water from the blood and forces the laxative or poison from the body as soon as possible. Never take any form of laxative. Take an internal bath if your bowels are slow in action. An internal bath should be taken at least once every month whether you feel the need of it or not. Keep the body clean inside as well as out.

Directions for Taking Internal Bath

Place one quart of luke warm water in douche bag and hang as high as the length of the tube will permit.

Holding the rubber tube between the fingers to control the supply of water, insert the tube into the rectum, and allow the water to enter the colon to the count of ten, shut off supply of water to the count of five, allowing the air to escape from the colon. You will notice while in this position it allows the water to enter the colon by running downward.

Be sure to empty the entire bag. Remain in this position for five minutes. (Still retaining water), turn on the back, the buttock supported by a rubber pillow, and massage stomach for two or three minutes.

For infants use a common baby syringe; it holds about one-half cup of water.

For children (two to six) use same directions as for adults except use one-half pint of luke warm water.

For children (six to twelve), use one pint of luke warm water.

Vaginal Douche

Many women, who because of lack of early teaching, or false delicacy upon the subject of sex, are actually unclean all their lives. The vaginal douche not only promotes cleanliness, but it alleviates pain, reduces inflamation and constant secretions, and regulates periods. Make a vaginal douche, a daily habit. Teach your children sex hygiene.

Business Gain Is Revealed During First Half of '31

Merchants, Bankers, Salesmen Attest Return to Near Normal State

PREDICT STEADY UPTURN

Banks Continue to Pay Regular Rates of Interest in Pleasanton

As the first half of 1931 came to a close on June 30, it was shown that in Pleasanton there was a slight upturn for the better in business in general, both bankers and business men expressing the opinion that while the gain was slight, it would continue.

Another certain indication of good conditions in the Amador valley was evidenced with the announcement from both banks that the same rate of interest, four per cent, would continue to be paid on savings deposits.

This was an exceptionally bright spot as many banks throughout the country have announced decreases in interest rates.

While Pleasanton does not have a clearing house from which the figures on financial transactions would be available, it is the opinion of bankers that larger sums are changing hands now, indicating increased buying, than has been the case for many months past.

This fact reveals that there is more buying. In this statement the merchants of the town agree, indicating that the "buy at home" spirit is returning.

From outside sources also comes definite assurance that there is a business upturn in that district. From talks with traveling salesmen representing a diversified line of merchandise, the writer has been informed that orders eminating from Pleasanton merchants have shown a steady, although slight, increase during past two months.

With this knowledge, the general public is doubly assured that the merchants of Pleasanton are expressing confidence in the future and in this particular community.

It shows that the business men feel that they will receive the support of those in their trading area and that confidence certainly should be reciprocated by the buying public. The public can rest assured that with the increased orders for merchandise that are being placed, the products offered are equal to any to be found elsewhere, and a comparison of prices revealed better bargains right at home than at other towns.

The payroll of Pleasanton workers has increased during the past few months, rather than decreased as some think, according to reliable information given to the writer.

Property Bought In Pleasanton For Taxes

Sale Is Held in Town Hall on Tuesday Morning June 30

Property in Pleasanton on which there was a tax lein was sold to the town by the tax collector, Wm. T. Davis at 11 o'clock Tuesday morning, June 30, at the town hall.

The property sold was that which had not been cleared of tax indebtedness. The accounts were advertising in The Pleasanton Times for three weeks prior to the sale.

At any time during the coming five years, or five years from the first time it is sold for taxes, the owners may restore the property to good standing by paying the amount of the delinquent taxes, plus penalties and six per cent interest.

Grass Fires Are Numerous During Last Seven Days

Damage Is Declared Nil Due to Good Work of Firemen

The Pleasanton Fire Department was called out twice last week to extinguish grass fires which occurred within the town limits.

The first fire was on Tuesday when the land farmed by Bud Kruse took fire. The quick action of the fire department resulted in the savings of considerable hay which was close to the blaze.

On Wednesday another grass fire broke out near the corner of Vineyard avenue and First street. No damage was caused.

The causes of the fires are unknown.
